

**Tracts # SW-TC-188.030**

**County: Galveston**

**State: Texas**

**Pipeline Easement Agreement  
Marathon Pipeline**

**The State of Texas**

§

**Know All Men By These Presents:**

**County of Galveston**

§

§

**Whereas**, the undersigned, the **County of Galveston**, a political subdivision of the State of Texas, acting by and through its County Commissioners' Court, (hereinafter referred to as "**Grantor**"), and **BANGL, LLC** ("**Grantee**"); and

**Whereas**, Grantor is the owner of certain real property located in Galveston County, Texas and more particularly described in Exhibit "A" Thomas Toby Survey SW-TC-188.030 REV 1; and

**Whereas**, Grantee has requested a right of way and a pipeline easement across portions of Grantor's property for the installation, operation, maintenance, repair, replacement, and removal of an underground pipeline to be run underwater; and

**Whereas**, Grantee has provided surveyed metes-and-bounds descriptions and plats for the proposed easement route, identified as **SW-TC-188.030**, which together define the easement; and

**Whereas**, Grantor is willing to grant such easement subject to the terms, conditions, covenants, and restrictions set forth herein.

**Now, Therefore, Know All Men By These Presents:**

**That Grantor**, for and in consideration of the sum of **Twenty-Nine Thousand, One Hundred Forty and 00/100 (\$29,140.00) Dollars** paid to the **County of Galveston**, cash in hand paid, the receipt and sufficiency of which is hereby acknowledged and confessed, and subject to the terms, conditions, covenants and restrictions hereinafter set forth does hereby **Grant, Bargain, Sell and Convey** unto **Grantee**, unto Grantee a pipeline easement and right-of-way as follows:

1. to survey, clear, excavate for, lay, install, construct, use, operate, idle, inspect, maintain, protect, repair, upgrade, replace, alter, test, patrol, change the size of, relocate, and remove, but for no other purpose in each case, pipelines and related facilities (the "**Facilities**") for the transportation of petroleum, petroleum products, crude oil, liquids, gases, and water (and similar products) over, across, in, on, under, and through an area of

the Property being more particularly described on Exhibit A, and as shown and depicted on Exhibit B (such area, the “*Easement Area*”), exhibit being attached hereto and incorporated herein. Grantee may, from time to time, place pipeline appurtenances and related facilities within the Easement Area, including valves, signage, markers, corrosion control equipment, and communications equipment.

2. together with the right of ingress and egress in, on, over, across, and through the lands described in Exhibit “A” attached hereto for any and all purposes convenient to exercise the rights and privileges herein granted during the period of initial installation; and
3. together with, after the period of initial installation, the subsequent right of ingress and egress in, on, over, across, and through the lands described in Exhibit “B” attached hereto for any and all purposes convenient to exercise the rights and privileges herein granted at all other times.

**See Exhibit “A” Thomas Toby Survey SW-TC-188.030 REV 1**

**See Drawings labeled “Sheets 1-2” Exhibit “B” Thomas Toby Survey SW-TC-188.030 REV 1**

4. The easement consists of:  
SW TC 188.030 – 29.14 rods
5. Intentionally Deleted
6. Restoration Obligations  
Promptly following construction, Grantee shall restore all disturbed areas to pre-existing grade and condition, as near as reasonably practical, and re-establish vegetation, remove debris, and correct any subsidence or erosion.

**Special terms, conditions, covenants, restrictions, and reservations:**

- (1) Grantee shall comply with the most stringent requirements concerning the rights and privileges herein granted, imposed by:
  - all state, federal, and local regulations, including but not limited to those imposed now or in the future by the **United States Department of Transportation (DOT) (49CFR Part 191 and others)**, the **Texas Railroad Commission (RRC) (TAC Title 16 Part 1 Chapter 8 and others)**, or **TxDot**; and
- (2) That in the event any of the following requirements are more stringent than those imposed in (1) above that Grantee will:
  - bury the pipeline at least forty-eight inches (48”) below the lowest surface of the ground, including any existing flow lines of drainage ditches or drainage structures;
  - provide at least twenty-four inches (“24”) clearance between the outer casing of the pipeline and any existing buried utility (pipeline or other utilities) or **City of La Marque, WCID #19, TxDot, or Galveston County-owned** storm or other drainage lines, sewers, and appurtenances;

- pay for damages caused to above or below ground existing utility lines and appurtenances, drainage ditches, or storm or other drainage lines, sewers and appurtenances on or adjacent to the land caused by its construction, operation, maintenance, and removal operations;
  - upon discontinuance, remove all pipeline and other improvements installed by **Grantee** in accordance with regulations prescribed by the **DOT**, the **RRC**, **TxDOT**, **WCID #19**, and the **City of La Marque**, and restore the land to the condition it was in prior to installation of the pipeline.
- (3) **Grantee shall indemnify, defend, and hold harmless Grantor against all claims, suits, liabilities, and expenses caused on account of injury or death of persons or damage to property resulting from Grantee's exercise of the rights and privileges herein granted, except to the extent caused by or resulting from Grantor's gross negligence or willful misconduct.**
- (4) This conveyance is also made and accepted subject to the following matters, to the extent same are in effect at this time:
- any and all other easements, rights-of-way, and prescriptive rights, whether of record or not found on, in and under the ground, all zoning laws, regulations and ordinances of municipal and/or other governmental authorities, all previously recorded restrictions, reservations, covenants, conditions, oil and gas leases, mineral severances and other instruments, including tax liens and conveyances that affect the property; rights of adjoining owners in any wall or fences or other improvements on a common boundary line, any discrepancies, conflicts or shortages in area or boundary lines, and any encroachments or overlapping of improvements.
- (5) **Grantor** conveys the property "as is" "with all faults" and without warranty as to condition or environmental hazard.
- (6) **Grantor** disclaims any warranty, guaranty, or representation, oral or written, on:
- the nature and condition of the property or other items conveyed hereunder, including, without limitation, the water, soil, and geology;
  - the suitability of the property conveyed hereunder for any and all activities and uses which **Grantee** may elect to conduct thereon;
  - the existence of any environmental hazards or conditions thereon, including but not limited to the presence of asbestos or other hazardous materials; and
  - compliance with applicable environmental laws, rules, or regulations.
- (7) **Grantor** reserves the right to grant subsequent easements or rights of way or to otherwise use and enjoy the land as long as such subsequent easements or rights of way or other use of the land does not unreasonably interfere with **Grantee's** enjoyment of the rights and privileges herein granted.

**Grantor** believes but does not warrant that it is the owner of the land and has the right, title, and capacity to grant the rights and easements herein granted, and that the address of **Grantor (County of Galveston only)** is as set out below. This instrument may be granted in several counterparts, and any such counterpart shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. The covenants and obligations of this **Pipeline Easement Agreement** shall run with the land and shall be binding upon the successors and assigns of the parties hereto; and the rights and
