August 17, 2026

Honorable County Judge
Honorable County Commissioners' Court
Galveston County Courthouse
Galveston, Texas 77550

Re: Recommendation to Trade-In Two 2026 F-150 PPV 4x4 K-9 Units and Procure Ford Police Interceptor Utility Units

Gentlemen:

This memorandum recommends that the Commissioners Court authorize the trade-in of two 2026 Ford F-150 Police Pursuit Vehicle (PPV) 4x4 units currently assigned to the Sheriff's Office K-9 Division and approve procurement of two 2025 Ford Police Interceptor Utility units through BuyBoard Contract 724-23. The Sheriff's Office and Fleet has determined that the existing PPV units do not provide adequate rear climate control for K-9 operations. The rear cabin of the F-150 platform lacks dedicated HVAC ducting and cannot maintain safe temperatures during idle, patrol, or extended deployment periods, creating unacceptable risk to K-9 officers and limiting operational capability during high-heat conditions common in Galveston County.

The Ford Police Interceptor Utility platform resolves these deficiencies. The attached quote from Chastang Ford documents factory-integrated rear climate control, under-seat ducts, automatic climate control, dual-zone front climate control, full headliner and floor coverage, and fleet-grade HVAC components designed for extended idle cycles. These features provide stable thermal conditions required for K-9 transport and align with industry standards used by most Texas law enforcement agencies. The Interceptor Utility also includes safety features such as BLIS, Rear Cross-Traffic Braking, Pre-Collision Assist, and a heavy-duty radiator and engine oil cooler suitable for high-temperature patrol environments.

Chastang Ford has provided pricing under BuyBoard Contract 724-23 reflecting a favorable net cost and is an authorized cooperative purchasing program under Texas Local Government Code §271.102, which allows local governments to procure goods and services through state-approved cooperative contracts in place of conducting a separate competitive bid. The quote identifies a

combined base vehicle price of \$99,030 for two units, option adjustments of -\$2,980, upfitting of \$400, destination charges of \$3,190, and a fleet discount of -\$13,040. The dealer has offered a trade-in allowance of \$76,600 for the two PPV units, resulting in a net expenditure of **\$10,000** for both replacement vehicles.

Texas Local Government Code § 263.152(a)(2) authorizes the Commissioners Court to trade in county personal property when purchasing new replacement property of the same general type. The proposed transaction complies with this statutory authority, as the PPV units are being traded in as part of the purchase of replacement law-enforcement vehicles.

For these reasons, Purchasing and Fleet department recommend that the Commissioners Court approve the trade-in of the two 2026 Ford F-150 PPV K-9 units and authorize procurement of two 2025 Ford Police Interceptor Utility units through BuyBoard Contract 724-23 and authorize the County Purchasing Agent to execute all documents necessary to complete the transaction.

Sincerely,

Veronica Van Horn
Legal Services Manager
