### **Background**

The purpose of the FY2027 Criminal Justice Grant Program is to fund projects that promote public safety, reduce crime, and improve the criminal justice system. The Galveston County Sheriff's Office utilizes a variety of specialty teams and techniques to adapt to the variety of crimes they may be called to investigate and process, including their Dive Team. The Galveston County Sheriff's Office Dive Team has recently expanded and is transitioning into a county-wide collaborative public safety dive team, increasing its operational responsibilities across multiple jurisdictions. Public Safety Divers work in low to zero visibility water, which is majority of the time contaminated with either biological or chemical substances and precautions must be taken to keep the diver safe.
