Re: Cash Count of the Tax Office's Galveston, Santa Fe, Texas City, Crystal Beach, League City and Friendswood Branch Locations

Surprise cash counts of the Tax Office's Galveston, Santa Fe, Texas City, Crystal Beach, League City and Friendswood branch locations were conducted from January 6, 2025 through February 18, 2025. The objectives of the cash counts were to (a) determine if all collections had been accounted for at the time of the cash count, and (b) determine if the collections were properly handled and deposited in a timely manner.

Collections Accounted For

At the times of the surprise cash counts, all collections and change funds were accounted for at all branch locations, including \$17,800.00 in change funds.

Collections Handled Properly

It is a very important control for collections to be properly handled and deposited in a timely manner. For collections to be handled properly, they must be safeguarded against loss; therefore, all negotiable instruments must be kept secured at all times and deposited on a daily basis.

Collections are handled properly and all negotiable instruments were secured and deposited on a daily basis.

Deposited in a Timely Manner

Local Government Code (LGC) §113.022 Time for Making Deposits states that money collected shall be deposited with the County Treasurer on or before the next regular business day after the date on which the money is received. If this deadline cannot be met, the office must deposit the money, without exception, on or before the fifth business day after the day on which the money is received. All collections were deposited and in compliance with LGC §113.022.

Conclusion

At the time of the surprise cash counts, all collections were accounted for at the Galveston, Santa Fe, Texas City, Crystal Beach, League City and Friendswood branch locations. Cash drawers not in use were locked and stored in a locked safe at all times.

We would like to commend the Tax Assessor/Collector and her staff for their continuous effort to ensure efficiency of the close out process and security of collections, and for their cooperation and assistance in the audit.

Re: Cash Counts of Branch & Satellite Offices

Dear Mr. Rice:

I am in receipt of the above referenced audit and it appears once again that no response is necessary as the findings reflected that our close out processes and security of collections were once again without findings and handled properly in compliance with Local Government Code Section 113.022 at all Tax Office locations.

Many thanks to you and your team for working effectively with my office to ensure proper handling of the public's funds. Our many successes in the County Tax Office would not have been possible without a great Operations team responsible for the work with the oversight and guidance of a very hands-on management and leadership team. Additionally, the high level of expertise provided by your team further ensures our success.

Our partnership over the last 20+ years has resulted in improved accountability within my office. The property owners of Galveston County and government partners are beneficiaries of our combined effort.

Sincerely,

A handwritten signature in black ink that reads "Cheryl E. Johnson".
