Description of Work

Amendment for Quarterly Full-Service Maintenance Agreement

We are pleased to present an amendment to your current HVAC service contract, extending its duration by one year. As part of this term extension, there will be a slight adjustment to the contract pricing. The new agreement price reflects the increased costs associated with providing high-quality service and ensuring the continued optimal performance of your critical equipment. We believe this extension will continue to provide you with the exceptional service and maintenance support you have come to expect from us.

Full-Service Maintenance includes:

- All maintenance parts and service parts included
- All maintenance and emergency service labor are included
- All technicians are factory-trained and certified
- Emergency service availability 24/7/365
- First priority escalation in the event of hurricanes and flooding
- On-site response time of 2 hours or less on emergency service calls

Full-Service coverage excludes full unit replacement, temporary spot coolers, customer elective services, Air freight charges and service visits resulting from external influence

New Service Agreement Term: 10/01/2024 thru 09/30/2025

Below is the new pricing schedule for the proposed new preventive maintenance service agreement term.

Additionally, service rates will be increasing effective 10/01/2024. Please review the below table.
