Good afternoon, Tammy.

I hope your week is going well. I am at the TDEM Conference in Fort Worth this week but need to request the following item for the Commissioners Court agenda:

Consideration of authorization to issue formal Request for Qualification (RFQ) for engineering services for the 2025-2026 Texas Community Development Block Grant Program administered through the Texas Department of Agriculture as submitted by Professional Services.

Could you please place this request on the next available Commissioners Court agenda?

Thank you so much!

Galveston
