## 7. Budget/Funding/Contract Term/Usage

### 7.1. Area Agency on Aging (AAA) Funding

Funding is through the OAA, as amended, and the Texas Health and Human Services Commission (HHSC). The award of any contractor agreement is contingent upon H-GAC receiving adequate Federal and State funding. H-GAC primarily uses federal funds, as well as several state and local sources—to fund its aging contracts. During a contract year, H-GAC competes for and may receive revenue from other federal, state, or private sources. 100% of the total cost of contracts authorized from this solicitation are Federal funds.
