Introduction

The Internal Audit Division conducted an internal audit of Galveston County Child Welfare in accordance with Local Government Code §115. The internal audit covered the period August 1, 2024 through July 31, 2025. The audit was performed from August 4, 2025 through August 22, 2025.

The primary objectives of the internal audit are to provide reasonable assurance concerning:

- Reliability and integrity of the information
- Compliance with laws, regulations, contracts, policies, plans and procedures

The scope of the internal audit encompassed the financial records and administrative procedures related to Child Welfare. The internal audit included, but was not limited to, the applicant files, accounts, reports, contracts and records of Child Welfare. The internal audit may also include reports or other records of the County Auditor, other county officials and third-party entities.

The internal audit included examining transactions on a test basis, and required exercising judgment in the selection of such tests. As the internal audit was not a detailed examination of all transactions, there is a risk that errors or fraud were not detected during the internal audit. The department head therefore retains the responsibility for the accuracy and completeness of the financial information.

Because of certain statutory duties required of the County Auditor, we are not independent with regard to Child Welfare as defined by the AICPA professional standards. However, our internal audit was performed with objectivity and due professional care.

Celeste McGilberry, Internal Auditor II, performed the audit.

Reliability and Integrity of Information

Reliable information is accurate, timely, complete and useful. In order to achieve this, controls over record keeping and reporting must be adequate and effective.

Vouchers

Vouchers for clothing, food and diapers are provided by the county for children who are in temporary or sudden placement situations. The vouchers are approved by the Children's Services Board then issued by the Galveston County Child Welfare Specialist. Each child may be issued one of each type of voucher every quarter. The vouchers are typically mailed to the caretaker, however, on occasion a case worker may pick up the voucher and deliver it to the caretaker. The caretaker has 31 days from the date of issuance to use the voucher. Each voucher reflects the purchaser's name and address, the child's name and age, the type of voucher, the store at which it may be redeemed and the amount of the voucher. Vouchers must be redeemed at the customer service desk of the store. If the total purchase exceeds the face value of the voucher, it's the responsibility of the caretaker to cover the difference. The store invoices the county for the purchases. Per office policy, a copy of the sales receipt must accompany the invoice and the invoice must be submitted in a timely manner. Invoices and copies of sale receipts are scanned in Workday. All other support documentation is provided by the Child Welfare Specialist.

Clothing vouchers must be redeemed at Ross Dress for Less clothing store and food and diaper vouchers must be redeemed at Kroger. Clothing voucher amounts are determined by the age of the child; food and diaper vouchers are a flat rate.

Clothing Vouchers:	
Birth - 5 years	\$60.00
6 - 12 years	\$80.00
13 - 18 years	\$95.00
Food Vouchers	\$50.00
Diaper Vouchers	\$20.00

During the audit period, 688 vouchers were issued and 377 (49%) were redeemed. The following chart reflects the vouchers issued and redeemed from August 1, 2024 through July 31, 2025:

Type	Issued	Total Value	Redeemed	Total Value	Vouchers Redeemed %
Clothing	613	\$45,000.00	326	\$22,975.25	53.18%
Diaper	75	\$1,500.00	11	\$217.52	14.67%
Totals	688	\$46,500.00	337	\$23,192.77	48.98%

No material discrepancies were noted in the review of the vouchers reimbursed by the Child Welfare Fund.
