Dear Ms. Edwards,

I hope this message finds you well. On behalf of the M.I. Lewis Social Service Center, I am writing to formally request a second round of funding for the FY25 Emergency Financial Assistance contract period.

We are seeking \$40,000 to continue providing urgent support to Galveston County residents in crisis. Of this amount, \$36,363.64 will be used directly for client assistance, with 10% (\$3,636.36) allocated toward administrative costs associated with delivering services.

We are grateful for the initial \$30,000 allocation, which has already been fully expended in assisting dozens of households with emergency rent and utility payments. The impact of that funding has been tremendous, but the need continues to grow. M.I. Lewis is experiencing a record number of requests for assistance, many from families who have never needed help before. Rising costs of living, gaps in other support systems have left many on the brink.

This additional funding will allow us to maintain continuity of services and respond quickly to those in urgent need. We remain deeply committed to ensuring that vulnerable individuals and families in our community do not fall through the cracks.

Thank you for your continued support and consideration of this important request.
We are proud to partner with you in serving our neighbors with compassion and dignity.

Warm regards,

Angelica Hanley
