**Re: Request to Utilize Cooperative Purchasing Agreement TIPS RFP 240102
Emergency Responder Supplies, Equipment, and Services with Dana Safety Supply, Inc.**

Gentlemen:

The Commissioners' Court is respectfully requested to grant authorization for the Purchasing Agent to utilize a state of Texas-approved cooperative purchasing program as referenced in Texas Local Government Code, Section 271.102, Cooperative Purchasing Program. This authorization would allow the procurement of safety equipment, supplies, and services with Dana Safety Supply, Inc., specifically to outfit law enforcement vehicles without adhering to the competitive bidding requirements specified in Chapter 262.023-Competitive Requirements. This authorization is requested until March 31, 2027, through the term of the TIPS RFP 240102 Emergency Responder Supplies, Equipment, and Services agreement with Dana Safety Supply, Inc.

The Purchasing Department has reviewed this request and recommends approval. Your consideration in this matter will be greatly appreciated.

Respectfully submitted,

Veronica Van Horn
Interim Purchasing Agent

RE: **Request to Utilize Cooperative Purchasing**

The Fleet Department requests to utilize cooperative purchasing in lieu of competitive bidding to procure law enforcement vehicle equipment from Dana Safety Supply. Dana Safety Supply is a cooperative contract vendor that is located 10 miles from the Galveston County Fleet Service Center. Dana Safety Supply has provided equipment for our current Sheriff and Constable fleet, ensuring uniformity and compatibility with existing systems Dana Safety Supply has installed in FY25 vehicles. Approval of the utilization of cooperative purchase with Dana Safety Supply allows the ability to expedite procurement of uniformed equipment and provides the Fleet Department with the support needed to continue meeting the operational needs for all Galveston County law enforcement fleet.

Thank you for your consideration.
