Hourly Rates, Wait Times and Extras

- Hourly rates may be available depending on location and length of job.
- Hourly jobs require a minimum of 8 hours.
- Hour Rate is \$150.
- Wait time starts one hour after arrival of truck to job site.
- Wait time rate is \$100.00 per hour.
- Haul backs to plant for over ordering materials will be charged at 50% of the rate per ton or at a wait time rate depending on distance.
- Unscaled materials will be charged at an hourly rate.
- Leftover material transfer to customer's desired location will be charged at a waiting time rate.
- Cancellation of delivery once truck is in transit will be charged at a rate per mile traveled if working by the tonnage. If working by the hour a minimum of 2 hours in advance is required otherwise 4 hours will be charged per truck for last-minute cancellation.
- A minimum rate of 18 tons will be charged if load is less than 18 tons. This does not apply to the tri-axle trucks as the minimum tonnage for those is 16 tons.
- Fuel surcharge may be applied if fuel prices increase significantly. This surcharge will be calculated based on current fuel cost at the time of service and added to the final invoice. *See fuel surcharge notice.
