Re: Claim for damages: Personal property loss
Claimant: Christopher Collier
Amount: \$1,014.42
Date of Loss: June 02, 2026

Gentlemen:

On **June 17, 2026**, Sergeant V. Tobar, Booking/Medical Sergeant, was notified by Mr. Collier that personal property inventoried at the time of his incarceration was not provided to him upon transfer to Harris County. Mr. Collier was identified as Inmate **#436052**. Deputies at Harris County reported that no property belonging to Mr. Collier could be located at the time of transfer.

A full review was conducted by the Galveston County Sheriff's Office, documented under **Incident Report Case #26-00002690**. The report states: "An inventory was performed on all inmate property currently stored in the property room; no items belonging to Collier were located anywhere in the property room."

The Sheriff's Office has classified the matter as **Information Only**, with no recovery of the missing property.

Based on the documentation provided and the findings of the Sheriff's Office, it is recommended that Mr. Collier's personal property claim be settled.

Sincerely,

A handwritten signature in blue ink that reads "Veronica Van Horn".
