Subject: Way Out Women's Center Charity Ride - San Luis Bridge

Hello Ms. Posada,

Last year I was working with Debra Belany but understand she is no longer in the same position. I was provided your name as contact for my request.

My name is Al Fuhrmann and am the event chair for the Way Out Women's Center 9th Annual motorcycle ride and fundraiser event. The 117 mile ride itself starts and ends at Walter Hall Park in League City on April 26 this year. It is a charity ride escorted by 6-LEO's. There is typically 150 or so bikes followed by a chase vehicle with medical staff. The remainder of the event after the ride, takes place at the park pavilion with lunch and fundraising activities.

Concerning the portion of the ride that goes down Blue Water Hwy and over the San Luis Bridge, I am asking for consideration again from Galveston County to waive the bridge fee for our police, riders and chase vehicle on April 26th at approximately 10:30am.

I try to get this request in early to facilitate getting it on the agenda at the monthly council meeting.

Attached is information on the event.

I look forward to hearing back from you.

Respectfully,
Al Fuhrmann
