# Introduction

The Internal Audit Division conducted an internal audit of the Personal Bond Office, in accordance with Local Government Code (LGC) §115. The internal audit covered the period June 1, 2025 through May 31, 2026. The audit was performed from June 30, 2026 through July 07, 2026.

The primary objectives of the internal audit are to provide reasonable assurance concerning:

- Reliability and integrity of the information.
- Safeguarding of assets.
- Compliance with laws, regulations, contracts, policies, plans and procedures.

The scope of the internal audit encompassed the financial records and administrative procedures related to the Personal Bond Office. The internal audit included, but was not limited to, the books, accounts, reports and records of the Personal Bond Office.

The internal audit included examining transactions on a test basis and required exercising judgment in the selection of such tests. As the internal audit was not a detailed examination of all transactions, there is a risk that errors or fraud will not be detected during the internal audit. The official, therefore, retains the responsibility for the accuracy and completeness of the financial information.

Because of certain statutory duties required of the County Auditor, we are not independent with regard to the Personal Bond Office as defined by the AICPA professional standards. However, our internal audit was performed with objectivity and due professional care.

Lisa McCabe, Internal Auditor, performed the audit.

## **Reliability and Integrity of the Information**

Reliable information is accurate, timely, complete and useful. In order to achieve this, controls over record keeping and reporting must be adequate and effective.

### **Separation of Duties**

One of the most important internal controls is to have proper separation of duties. No one person should authorize a transaction, record a transaction and have custody of the assets. All funds collected are entered into Odyssey by the bond clerks and reconciled daily by the Administrative Assistant, who prepares the funds for deposit. Funds collected over the weekend are placed in the safe and are reconciled Monday morning. All cash sales are entered into Workday by the Administrative Assistant once the bank deposit confirmation is returned. The office has a proper separation of duties.

### **Voided Receipts**

All voided receipts must be recorded in Odyssey by the Administrative Assistant or the Personal Bond Manager. An explanation for the void is recorded in Odyssey and, when applicable, the transaction is re-receipted in a timely manner. There were no discrepancies found in the testing of voided receipts.

### **Refunds**

Under certain circumstances the bond payment must be refunded back to the payer. For example, an inmate was bonded out through another agency, the bond amount was reduced by the court, etc. A refund request form must be completed by the payer and approved by the Director of Personal Bond & Collections. Once the request has been approved, the Administrative Assistant begins the purchase order process to refund the payment in accordance with the Galveston County Cash Handling Policy. There were no refunds issued by the Personal Bond Office during the audit period.

## **Safeguarding of Assets**

Safeguarding of assets has three basic components: 1) physical security of assets, 2) minimal exposure to loss and 3) proper management of the assets.

### **Physical Security**

Physical security encompasses all methods used to physically secure the assets from loss. Assets not being used should be kept in a locked drawer or safe until they are needed.

Controls are in place to ensure staff uses lockable bank bags and a safe to secure the financial assets in the office.

As part of the audit, the auditor conducted a surprise cash count on July 1, 2026. All collections were accounted for at the time of the surprise cash count.

# **Compliance with Statutes, Policies and Procedures**

The following areas were tested to provide reasonable assurance the office is in compliance with statutes, policies and procedures.

## **Personal Bond Fees**

Code of Criminal Procedure (CCP) §17.42 states “the court shall assess a personal bond fee of \$20.00 or three percent of the amount of the bail fixed for the accused, whichever is greater.” Bail amounts are obtained from the Jail Management System (JMS) and are recorded in Odyssey by the Personal Bond Office clerks. Bond fees are then calculated based on the amount of bail, according to statute. No material exceptions were noted in the review of the personal bond fees.

## **Release Compliance**

CCP §17.03 states “except as provided by subsection (b) or (b-1), a magistrate may, in the magistrate's discretion, release the defendant on personal bond without sureties or other security.” Subsections (b) and (b-1) provide restrictions on types of offenses only the court before whom the case is pending may release individuals on personal bond. No exceptions were found regarding compliance with release of defendants through pre-trial release bonds.

## **No Fee Personal Bonds**

Under CCP §17.033, a defendant must be released on personal bond if they do not see a magistrate judge within 24 hours for a misdemeanor, or 48 hours for a felony. Bonds are created in Odyssey by the Personal Bond Office for this type of release once notified by the Magistrate Court. This type of release does not alleviate the defendant of any charge they may be facing, so location and contact information is obtained from the defendant on a bond application. No exceptions were noted in the review of CCP §17.033 releases.

## **Timeliness of Deposits**

LGC §113.022 Time for Making Deposits states a county officer or other person who receives money shall deposit the money with the County Clerk Treasury on or before the next regular business day after the date on which the money is received. If this deadline cannot be met, the officer or person must deposit the money, without exception, on or before the fifth business day after the day on which the money is received. Personal Bond Office collections are deposited daily, Monday through Friday, by a Sheriff's Office Deputy. Funds collected over the weekend are deposited the following Monday. All deposits reviewed were made in compliance with LGC §113.022.
