Dear Judge Henry:

Transportation Code §201.706, passed by the 75th Texas Legislature, requires the Texas Department of Transportation (TxDOT) to assist counties with materials to repair and maintain county roads.

Galveston County (County) is allocated \$24,806.00 for Appropriation Year (AY) 2025. To meet this allotment, the following materials are being offered for the County's use:

- 1,240.30 Cubic Yards (CY) of RAP (with a value of \$20.00/CY) is available now for pick up at our stockpile yard located at 5407 Gulf Freeway, La Marque, Texas 77568.

In accordance with 43 TAC §29.3 rules, please submit to TxDOT within 45 days your request for surplus materials to be distributed in AY 2025. Surplus material not requested by your County will be made available to other counties. TxDOT looks forward to receiving your request.

If the County agrees to accept this offer, please notify Jeffery Thomson, Maintenance Supervisor for the Galveston Maintenance Office at (409) 978-2553 or via email at Jeffery.Thomson@txdot.gov as soon as possible so the materials can be procured.

Once the County accepts the offer, please contact Jeffery Thomson to schedule a date and time to pick up the materials. When scheduling, please provide a contact name, phone number and email address for the person that will be responsible for picking up the materials. Finally, please pick up all materials by July 31, 2025.
