We are pleased to comply with this request and submit the following proposal for consideration. This proposal, if accepted by the Issuer, shall become the agreement (the "Agreement") between the Issuer and Estrada Hinojosa effective at the date of its acceptance as provided for herein below.

I.

This Agreement shall apply to any and all evidences of indebtedness or debt obligations that may be authorized and issued or otherwise created or assumed by the Issuer (hereinafter referred to collectively as the "Debt Instruments") from time to time during the period in which this Agreement shall be effective.

II.

We agree to provide our professional services and our facilities as Financial Advisor and agree to direct and coordinate all programs of financing as may be considered and authorized during the period in which this Agreement shall be effective and to assume and pay those fees and expenses set out in Appendix A, provided, however, that our obligations to pay expenses shall not include any costs incident to litigation, mandamus action, test case or other similar actions. III.

We agree to perform the following duties normally performed by financial advisors and all other duties as, in our judgement, may be necessary or advisable:

We will conduct a survey of the financial resources of the Issuer to determine the extent of its capacity to authorize, issue and service debt. This survey will include an analysis of existing debt structure as compared with the existing and projected sources of revenues which may be pledged to secure payment of debt service and, where appropriate, will include a study of the trend of the assessed valuation, taxing power and present and future taxing requirements of the Issuer. In the event revenues of existing or projected

facilities operated by the Issuer are to be pledged to repayment of the Debt Instruments then under consideration, the survey will take into account any outstanding indebtedness payable from the revenues thereof, additional revenues, as projected by consulting engineers employed by the Issuer, resulting from improvements to be financed by the Debt Instruments under consideration. We will also take into account future financing needs and operations as projected by the Issuer's staff and consulting engineers or other experts, if any, employed by the Issuer.

1. On the basis of the information developed by the survey described above, and other information and experience available to us, we will submit to the Issuer our recommendations on the Debt Instruments under consideration including such elements as the date of issue, interest payment dates, schedule of principal maturities, portions of prior payment, security provisions, and any other additional provisions designed to make the issue attractive to investors. All recommendations will be based upon our professional judgement with the goal of designing Debt Instruments which can be sold under terms most advantageous to the Issuer and at the lowest interest cost consistent with all other considerations.

2. We will advise the Issuer of current bond market conditions, forthcoming bond issues and other general information and economic data which might normally be expected to influence interest rates or bidding conditions so that the date of sale of the Debt Instruments may be set at a time which, in our opinion, will be favorable.

3. We understand the Issuer has retained, or will retain, firms of municipal bond attorneys (the "Bond Counsel") whose fees will be paid by the Issuer. In the event it is necessary to hold an election to authorize the Debt Instruments then under consideration, we will assist in coordinating the assembly and transmittal to Bond Counsel of such data as may be required for the preparation of necessary petitions, orders, resolutions, ordinances, notices, and certificates in connection with the election.

4. We will recommend the method of sale of the Debt Instruments that, in our opinion, is in the best interest of the Issuer and will proceed, as directed by the Issuer, with one of the following methods:

a. Competitive Sale: We will advise the Issuer regarding the sale of the Debt Instrument whereby we coordinate the submission of competitive bids from prospective buyers of the Debt Instruments in accordance with established procedures.

b. Negotiated Sale: We will recommend one or more investment banking firms as managers of an underwriting syndicate for the purposes of negotiating the purchase of Debt Instruments and in no event will we participate either directly or indirectly in the underwriting of the Debt Instruments. We will collaborate with any senior managing underwriter selected and Counsel to the underwriters in the preparation of the Official Statement or Offering Memorandum. We will cooperate with the underwriters in obtaining any Blue Sky Memorandum and Legal Investment Survey, preparing the Bond Purchase Contract, Underwriters' Agreement and any other related documents. 6. We will coordinate the preparation of the Notice of Sale and Bidding Instructions, Official Statement, Official Bid Form and such other documents as may be required. We will submit to the Issuer all such documents for examinations, approval and certification. After such examination, approval and certification, we will provide the Issuer with a supply of all such documents sufficient to its needs and will distribute by mail sets of the same to prospective bidders and to banks, life, fire and casualty insurance companies, investment counselors and other prospective purchasers of the Debt Instruments. We also provide sufficient copies of the Official Statement to the purchaser of the debt Instruments in accordance with the Notice of Sale and Bidding Instructions. The expenses associated with printing and distribution of these documents will be paid by the Issuer.

7. We will, after consulting the Issuer, arrange for such reports and opinions of recognized independent consultants we deem necessary and required for the successful marketing of the Debt Instruments.

8. Subject to the approval of the Issuer, we will organize and make arrangements for such information meetings as, in our judgement, may be necessary.

9. We will make recommendations to the Issuer as to the advisability of obtaining a credit rating, or ratings, for the Debt Instruments as, in our opinion, is required for submission to the appropriate company, institution or institutions. In those cases where the advisability of personal presentation of information to the rating agency, or agencies, may be indicated, we will arrange for such personal presentations. We will assist the Issuer in the preparation or verification of final closing figures incident to the delivery of the Debt Instruments.

13. We will maintain liaison with Bond Counsel in the preparation of all legal documents pertaining to the authorization, sale and issuance of the Debt Instruments. Bond Counsel will provide an unqualified legal opinion as to the legality of the issuance of the Debt Instruments at the time of delivery.

14. If requested, we will counsel with the Issuer in the selection of a Paying Agent/Registrar for the Debt Instruments, and will assist in the preparation of agreements pertinent to these services and the fees incident thereto.

15. In the event formal verification by an independent auditor or any calculations incident to the Debt Instruments is required, we will make arrangements for such services.

16. We agree to do, or cause to be done, all work incident to pertaining of the Debt Instruments, obtaining approval, as may be required by the Attorney General, registration by the Comptroller of Public Accounts and delivery to the purchaser. APPENDIX C

DISCLOSURE STATEMENT REQUIRED

BY

MUNICIPAL SECURITIES RULEMAKING BOARD

This Disclosure Statement is provided by TRB Capital Markets, LLC (d/b/a Estrada Hinojosa) (“Municipal Advisor”) to Galveston County, Texas (“Client”) in connection with the Municipal Advisor Engagement Letter dated **March 25, 2025** (the “Agreement”) and is dated as of the same date as the Agreement. This Disclosure Statement provides information regarding conflicts of interest pursuant to MSRB Rule G-42(b) and the events required to be disclosed to Client pursuant to MSRB Rule G-42 (c)(ii).

Part A (Disclosures of Conflicts of Interest)

MSRB Rule G-42 requires that municipal advisors provide to their clients disclosures relating to any *actual or potential* material conflicts of interest, including certain categories of potential conflicts of interest identified in Rule G-42, if applicable.

Accordingly, Municipal Advisor makes the following disclosures with respect to material conflicts of interest in connection with the Scope of Services under the Agreement, together with explanations of how Municipal Advisor addresses or intends to manage or mitigate each conflict. To that end, with respect to all of the conflicts disclosed below, Municipal Advisor mitigates such conflicts through its adherence to its fiduciary duty to Client, which includes a duty of loyalty to Client in performing all municipal advisory activities for Client. This duty of loyalty obligates Municipal Advisor to deal honestly and with the utmost good faith with Client and to act in Client’s best interests without regard to Municipal Advisor’s financial or other interests.

In addition, because Municipal Advisor is a broker-dealer with significant capital due to the nature of its overall business, the success and profitability of Municipal Advisor is not dependent on maximizing short-term revenue generated from individualized recommendations to its clients but instead is dependent on long-term profitability built on a foundation of integrity, quality of service, and strict adherence to its fiduciary duty. Furthermore, Municipal Advisor’s supervisory structure, leveraging our long-standing and comprehensive broker-dealer supervisory processes and practices, provides strong safeguards against individual representatives of Municipal Advisor potentially departing from their regulatory duties due to personal interests. The disclosures below describe, as applicable, any additional mitigations that may be relevant with respect to any specific conflict disclosed below.

1. **Compensation-Based Conflicts.** If fees due under this Agreement are partially based on the size of a bond Issue and contingent upon the delivery of the bonds, this form of compensation has the potential to create a conflict of interest. While customary in the municipal securities market, the potential conflict of interest arises from the incentive for a Municipal Advisor to recommend unnecessary financings or financings that are disadvantageous to Client, or to advise Client to increase the size of the issue. This conflict of interest is mitigated by the general mitigations described above.

2. **Other Municipal Advisor or Underwriting Relationships.** Municipal Advisor serves a wide variety of other clients that may from time to time have interests that could have a direct or indirect impact on the interests of Client. For example, Municipal Advisor serves as municipal advisor to other municipal advisory clients and, in such cases, owes a duty to such other clients just as it does to Client under this Agreement. These other clients may, from time to time and depending on the specific circumstances, have competing interests, such as accessing the new issue market with the most advantageous timing and with limited competition at the time of the offering.

In acting in the interests of its various clients, Municipal Advisor could potentially face a conflict of interest arising from these competing client interests. In other cases (such as a broker-dealer that engages in underwritings of new issuances of municipal securities by other municipal entities), the interests of Municipal Advisor to achieve a successful and profitable underwriting for its municipal entity underwriting clients could potentially constitute a conflict of interest if, as in the example above, the municipal entities that Municipal Advisor serves as underwriter or municipal advisor have competing interests in seeking to access the new issue market with the most advantageous timing and with limited competition at the time of the offering. None of these other engagements or relationships would impair Municipal Advisor's ability to fulfill its duties to Client.

3. **Broker-Dealer Business.** Municipal Advisor is a broker-dealer that provides underwriting services to its clients, in addition to serving as a municipal advisor. Such underwriting activities may be undertaken on behalf of, or as counterparty to, current or potential investors in the securities of Client. These other clients may, from time to time and depending on the specific circumstances, have interests in conflict with those of Client, such as when their buying or selling of Client's securities may have an adverse effect on the market for Client's securities, and the interests of such other clients could create the incentive for Municipal Advisor to make recommendations to Client that could result in more advantageous pricing for the other clients. Any potential conflict arising from Municipal Advisor effecting or otherwise assisting such other clients in connection with underwriting transactions is mitigated by means of such activities being engaged in on customary terms under an active and long-standing regulatory structure, thereby reducing the likelihood that the interests of such other clients would have an impact on the services provided by Municipal Advisor to Client under this Agreement.

At this time, there are no *actual* material conflicts of interest known to Municipal Advisor in connection with the current Agreement. Municipal Advisor has listed the *potential* conflicts of interest to comply with MSRB Rule G-42.

Part B (Disclosures of Information Regarding Legal Events and Disciplinary History)

MSRB Rule G-42 requires that municipal advisors provide to their clients certain disclosures of legal or disciplinary events material to its client's evaluation of the municipal advisor or the integrity of the municipal advisor's management or advisory personnel. The following legal or disciplinary events may be material to Client's evaluation of Municipal Advisor or the integrity of Municipal Advisor's management or advisory personnel:

1. In March 2012, the Municipal Advisor paid a \$10,000 fine to settle a FINRA enforcement matter arising from the late filing of Final Official Statements.
2. In July 2015, the Municipal Advisor paid a \$17,500 fine to settle a FINRA enforcement matter arising from the late and/or inaccurate reporting of municipal bond trades.
3. In September 2015, the Municipal Advisor settled an enforcement action brought by the United States Securities and Exchange Commission as a result of their Municipal Continuing Disclosure Initiative (MCDC). As part of the settlement, the Municipal Advisor paid a \$40,000 fine.

A full report of the Municipal Advisor's disciplinary history, including the events summarized above, can be found on the Municipal Advisor's Form MA and Form MA-I filings. These filings are available online in the EDGAR database maintained by the United States Securities and Exchange Commission at this location: <https://www.sec.gov/cgi-bin/browse-edgar?company=estrada+hinojosa&owner=exclude&action=getcompany>

The SEC permits certain items of information required on Form MA or MA-I to be provided by reference to such required information already filed by Municipal Advisor in its capacity as a broker-dealer on Form BD or Form U4 as applicable. The disclosures filed on Form MA and Form MA-I were all filed on Form BD or U4 for the applicable event. Detailed information provided by Municipal Advisor on Form BD or Form U4 is publicly accessible through reports generated by FINRA's BrokerCheck at <http://brokercheck.finra.org>. For purposes of accessing such BrokerCheck reports, Municipal Advisor's CRD number is 322618.

The disclosure items listed above were all related to the Underwriting business segment of Estrada Hinojosa; not from any activity relating to our Municipal Advisory business segment. The events themselves were technical in nature and did not involve any investor harm or market disruption. The last material update to Form MA was made on March 26, 2024.

Part C Future Supplemental Disclosures

As required by MSRB Rule G-42, this Disclosure Statement may be supplemented or amended, from time to time as needed, to reflect changed circumstances resulting in new conflicts of interest or changes in the conflicts of interest described above, or to provide updated information with regard to any legal or disciplinary events of Municipal Advisor. Municipal Advisor will provide Client with any such supplement or amendment as it becomes available throughout the term of the Agreement.

Sincerely,

Andres Diamond-Ortiz
