THIS INTERLOCAL AGREEMENT (the "Agreement") is made and entered into as of the ____ day of _____, 2025, by and between **GALVESTON COUNTY**, a political subdivision of the State of Texas (the "County"), and **CLEAR CREEK INDEPENDENT SCHOOL DISTRICT**, a political subdivision of the State of Texas (the "District"). The County and the District may be collectively referred to as the "Parties" or individually as a "Party."

WHEREAS, the Parties are authorized to enter into this Agreement according to Chapter 791 of the Texas Government Code (the "Interlocal Cooperation Act"); and

WHEREAS, the District desires to enhance the safety and security of its campuses and school-related activities; and

WHEREAS, the County is willing to provide law enforcement services through its Deputy Sheriffs to assist the District in fulfilling its safety and security objectives.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, the Parties agree as follows:

1. Scope of Services

- 1.1. The County shall provide routine law enforcement activities to be performed primarily on the campuses and periphery of the District's campuses, including up to 1000 feet beyond the real property lines, by Galveston County Deputy Sheriffs (hereinafter referred to as "Officers").
- 1.2. A total of forty seven (47) assigned officers will perform the services described herein. Each Officer shall work a total of up to 2236 hours per year, inclusive of Permissible Leave.
- 1.3. During the hours assigned to perform law enforcement services for the District under this Agreement, all Officers shall perform their duties solely for the benefit of the District and shall not engage in work for any other entity or person.
- 1.4. Should the Sheriff or his designee temporarily redeploy an Officer from the District, the District shall not be obligated to pay for any time during which an Officer is redeployed.

2. Command and Direction

- 2.1. Officers shall work under the direct command of the Supervising Resource Officer and the general direction of District officials, with all directives communicated through the Supervising Resource Officer unless impractical.
- 2.2. The District officials authorized to provide general direction and assignment include the Superintendent, the Superintendent's designee and the Principal of each school.

3. Overtime Work

- 3.1 Officers shall not be requested or required to work overtime at the District's expense, except under the following limited circumstances:
 - a) With prior consultation and approval of the Supervising Resource Officer or the Officer's designated Supervisor for law enforcement activities initiated during the Officer's scheduled workday.
 - b) To make a court-ordered appearance related to District business outside of regularly scheduled duty hours.
 - c) To complete investigations promptly that would otherwise be prejudiced by delay.
 - d) For unforeseen emergencies, including Officers who are "on call".
- 3.2 If unforeseen overtime is required, the Supervising Resource Officer and the Superintendent's designee shall be notified as soon as practicable, and the hours worked shall be minimized.
- 3.3 If the performance of such overtime work results in compensable overtime under the Fair Labor Standards Act (FLSA), the District shall be responsible for the appropriate overtime rates for compensable hours worked.

4. Specific Duties of Officers The Officers' specific duties shall include, but are not limited to:

- a) Conducting investigations of criminal violations, excluding major criminal violations such as murder or sexual assault occurring on District property or at District-sponsored activities, except at District Extracurricular Activities, on or off District property.
- b) Patrolling the periphery of District campuses to control narcotic/alcohol sale and use, gang-related activities, and other crimes, including those prohibited by Texas Education Code § 37.006(a), § 37.007, and §37.110.

- c) Attending District-sponsored or school-related activities during school hours.
- d) Working with faculty, administration, students, and parents to develop skills to detect the presence and dangers of narcotics and/or alcohol.
- e) Acting as educational resources for the criminal justice system and its operation in society.
- f) Establishing good rapport with students to model good community relationships.
- g) Providing security on District campuses for theft prevention, trespassing, and intrusion.
- h) Responding to night and weekend calls for unlawfully entered District buildings.
- i) Reporting open and unlawfully entered District buildings to the prescribed personnel.
- j) Acting as a liaison with public safety authorities on school security matters.
- k) Consult with District Administration on methods to increase security.
- l) Assist District Administration with the enforcement of its adopted Student Code of Conduct.
- m) Investigating and participating in the District's student disciplinary actions as reasonably necessary.
- n) Complying with the District's policies and procedures, including those relating to the prohibition against the use of alcohol or drugs and required drug and alcohol testing outlined in District Board policies and administrative regulations, to the extent that there are no conflicts with policies of the Sheriff's Office or the County.
- o) Upholding the laws of the State of Texas and performing duties required of peace officers under Texas law.
- p) Preserving the peace within the Officer's jurisdiction by all lawful means.
- q) Performing such other law enforcement duties as may be agreed upon by the Sheriff and District.

- 4.2. School-related activities are defined as activities that are in any way sponsored or officially sanctioned by the District, except Extracurricular Assignments as defined below.
- 4.3. Nonperformance of Specific Duties is excused to the extent that Specific Duties cannot be performed safely, efficiently, and effectively.

5. Extracurricular Assignments

- 5.1 For purposes of this Agreement, the term “Extracurricular Assignments” means law enforcement services provided by law enforcement personnel at District events that occur outside of their regularly scheduled duty day. Extracurricular Assignments are expressly excluded from the purview of this Agreement.
- 5.2 **Establishment of Program:** District shall establish and operate its program for the appointment of law enforcement personnel from various law enforcement jurisdictions to Extracurricular Assignments, as further described in Exhibit “A”, separate and apart from this Agreement and independent of their employment with the County.
- 5.3 **Voluntary Participation:** To the extent that any Officer performing services under this Agreement voluntarily participates in the District Extracurricular Assignment Program, such Extracurricular Assignment shall be compensated under the terms of that Program and shall not be considered service under the terms of this Agreement for any purpose.
- 5.4 **No Requirement to Participate:** No Officer shall be expected, required, or instructed by any District Official to participate in the Extracurricular Assignment Program. The Supervising Resource Officer or their designee may mandate officers to participate in the extracurricular assignment program in situations where there are public safety concerns.
- 5.5 **Fair Labor Standards Act Compliance:** The County and District believe that the Extracurricular Assignments Program is subject to the “Special detail work” exception to overtime requirements under the Fair Labor Standards Act pursuant to 29 USC § 207(p). However, if the performance of Extracurricular Assignment work results in any Officer(s) working overtime hours legally compensable by the County, and the Officer is classified as non-exempt under the Fair Labor Standards Act, then the District shall be responsible for the appropriate overtime rates for the compensable overtime hours worked in that work period.

6. Assignment of Officers

- 6.1 **Assignment Process:** The Sheriff’s Office shall institute a process by which law enforcement officers may be

- a) considered for immediate assignment to the District or
- b) placed on a list of potential law enforcement officers who would be eligible for assignment to the District so that vacancies might be filled promptly.

6.2 **Objection to Appointment:** The District may object to the proposed appointment of any Officer to one of its campuses. In the event an Officer presented for appointment is not agreeable with the District, then the Superintendent shall notify the Sheriff in writing of the specific reason(s) for the objection. The Superintendent and the Sheriff will meet and discuss the reason(s) for the objection in an attempt to reach a consensus on the matter. However, the final determination of appointment shall lie with the Sheriff.

6.3 **Eligibility List:** Assignment to the eligibility list shall not guarantee that a law enforcement officer whose name has been placed on the list will be assigned to a District position. Generally, law enforcement officers whose names are on the list will be appointed to serve in District assignments unless the Sheriff assigns the listed officers otherwise for reasons including, but not limited to:

- a) the law enforcement officer is involved in some intervening event that, in the opinion of the Sheriff, would cause him/her to be ineligible or inappropriate for such an assignment;
- b) in the opinion of the Sheriff, another law enforcement officer is determined to be more suitable for assignment;
- c) in the opinion of the Sheriff, the law enforcement officer is better suited to serve in another capacity in the Sheriff's Office; or
- d) the number of officers on the eligibility list exceeds the number of available positions with the District according to this Agreement.

7. Removal of Officers

7.1 The District may request the removal of any Officer assigned to one of its campuses through the following means:

- a) **Performance or Employment Related Concerns:** If an assigned Officer is no longer agreeable to the District due to performance or other employment-related concerns, the Superintendent shall notify the Sheriff in writing of the specific reason(s) for the concerns. If the Sheriff agrees there are performance or other employment-related issues, he will counsel with the Officer and attempt to address those issues within seven days. If the Officer's performance or other employment-related concerns are not corrected to the satisfaction of the District, the Superintendent will again express the reasons for his/her concern. The

Superintendent and the Sheriff will meet and discuss and attempt to reach a consensus on the matter.

- b) **Allegations of Serious Misconduct:** In the event an allegation of serious misconduct has been made against an Officer, the Superintendent shall notify the Sheriff in writing, and upon request by the Superintendent, the Officer shall be temporarily removed or reassigned under this Agreement pending the Sheriff's Office internal investigation into the allegation.

- 7.2 Within seventy-two (72) hours after any removal, the County shall provide the District with a replacement Officer. If the replacement Officer is not agreeable to the District, the Superintendent shall notify the Sheriff in writing, specifying the reasons for disapproval. The Parties shall meet to discuss the reasons in an attempt to reach a consensus.
- 7.3 If the Sheriff concludes after the internal investigation that the allegations of misconduct are untrue, he shall present his findings to the Superintendent, who shall consider whether the Officer may return to the District. If the Superintendent determines that the Officer shall not return, the Superintendent shall notify the Sheriff in writing, stating the reasons for this determination. The Parties shall meet to discuss the reasons in an attempt to reach consensus, but the ultimate decision regarding the Officer's reassignment shall remain with the Sheriff.
- 7.4 The Sheriff shall notify the Superintendent in writing if any Officer assigned to the District is placed under investigation by the Sheriff's Office or any other law enforcement agency.

8. Substitution of Officers

- 8.1 The Sheriff may make personnel changes and is not obligated to furnish any particular Officer. Officers considered for substitution shall go through the Assignment of Officers process described herein.
- 8.2 In the event a regularly assigned Officer is expected to take extended leave (excluding Permissible Leave as defined below), the Sheriff shall notify the Superintendent of the leave and its anticipated duration. The Sheriff shall make reasonable efforts to assign a suitable substitute Officer. If a substitution cannot be made, the Sheriff shall notify the Superintendent. The District shall not be responsible for payment of leave time exceeding the periods defined as Permissible Leave.

9. Employment Status

- 9.1 Officers assigned under this Agreement shall remain employees of the County and shall be entitled to benefits afforded regular County employees. Such entitlement shall not affect the payment consideration by the District under this Agreement.
- 9.2 No Officer shall maintain an employment relationship with the District while assigned by the County under this Agreement.

10. Personnel and Time Records

- 10.1 Personnel records for all Officers assigned under this Agreement shall be maintained by the County through the Sheriff's Office.
- 10.2 Official time records for all Officers assigned under this Agreement shall be maintained by the County using standard payroll processing methods. These records shall serve as the basis for invoices for services rendered under this Agreement.
- 10.3 The County utilizes an "exception-based" payroll system. Officers shall be paid a bi-weekly salary based on a standard 14-day work period of 86 hours, as defined by the Fair Labor Standards Act. Appropriate deductions for paid and unpaid leave, as well as additions for overtime or other adjustments, shall be made. The County shall provide copies of payroll records showing all exceptions, in either paper or electronic format, along with each invoice sent to the District for payment.
- 10.4 The District may utilize a system to record the hours Officers are present and working at District campuses. This system shall not be considered an official payroll record nor used for billing purposes, but may be used for attendance and campus coverage tracking and validation of invoices.

11. County Resources

- 11.1 Officers assigned under this Agreement shall have reasonable access to the following divisions of the Sheriff's Office to support their policing functions:
 - a) Identification and Criminal Record-Keeping;
 - b) Criminal Investigations;
 - c) Training; and
 - d) Communications Division.
- 11.2 The Sheriff may, at his discretion, temporarily make other Sheriff's Office resources available to support the Officers' policing functions upon specific request and consultation with the Supervising Resource Officer.

- 11.3 Uniforms shall be provided to Officers by the Sheriff's Office, and the costs incurred for these items shall be paid by the District in accordance with Exhibit B.

12. District-Provided Resources

- 12.1 Access to the District's technology system through desktop computers, laptop computers, or tablet computers.
- 12.2 Reasonable office supplies and workspace necessary for the Officers to perform their duties.
- 12.3 District-owned cellular/mobile telephones and Tasers for use in connection with Officers' duties.
- 12.4 Access to the District's electronic mail system, including the issuance of an electronic mail address to each Officer.
- 12.5 The use of District-owned technology and resources is subject to the following conditions:
- a) All Officers shall comply with the District's policies and procedures regarding the use of District technology and electronic communication, including but not limited to Board Policy DH(LOCAL), CQ(LOCAL), and CQ(Regulation).
 - b) Officers are strictly prohibited from communicating with students via text messaging or any form of social media unless such communication is conducted in the course of bona fide law enforcement activity.

13. Consideration

- 13.1 The District shall compensate the County for the services rendered under this Agreement as mutually agreed upon in writing by the Parties.
- 13.2 The County's fiscal year is October 1 to September 30, and the County adopts a yearly budget effective October 1 of each year. The Sheriff shall send notice to the District of the adopted compensation to be paid no later than November 1st of each year.
- 13.3 The County shall submit invoices to the District for services provided, and the District shall pay such invoices within thirty (30) days of receipt. Following the end of each calendar month, but not earlier than the completion of any pay period in progress at the end of each calendar month, the County shall prepare an invoice for services rendered under this Agreement for the previous month. The invoice shall include copies of time

records for each Officer according to the Personnel & Time Records section of this Agreement. Said invoice and time records shall be forwarded by the County through its Auditor's Office to the District for payment.

- 13.4 The District shall pay each monthly invoice per Texas Government Code Chapter 2251. In the event a dispute arises between the County and the District concerning a portion of any invoice, the District agrees that only payment of the disputed amount may be retained by the District, and such retention may be withheld only until the disputed matter is resolved. Payment of the resolved disputed balance will also be paid per Texas Government Code Chapter 2251. The parties agree to put forth their best efforts toward successfully resolving any disputed amount in a timely and expeditious manner.
- 13.5 The District acknowledges that time is of the essence regarding each payment. If the County does not receive the District's payment in a timely manner, this Agreement may, at the option of the County, be immediately terminated. The District will not be relieved of any payment to County that is due and unpaid as of the date of termination.
- 13.6 The District agrees to pay the County for actual hours worked by Officers, as well as for Permissible Leave hours during the term of this Agreement, according to the rates set forth in the Career Path program for law enforcement adopted by the Galveston County Commissioners Court, and the fees and charges outlined in Exhibit B.
- 13.7 Permissible Leave shall not exceed five (5) consecutive sick leave or workers' compensation leave days per occurrence and a total of 24 days or 192 hours per contract year, per Officer. Paid holidays shall be considered Permissible Leave but shall not count towards the limitations set forth herein.
- 13.8 The District shall pay for the actual hours worked by replacement Officers for any Permissible Leave taken by an Officer in addition to the Permissible Leave hours of the absent Officer.
- 13.9 In the event an Officer works overtime hours, the County shall be reimbursed for the appropriate overtime rate, calculated as an additional one-half of the Officer's total hourly rate, including benefits costs, and certificate pay, as shown in Exhibit B.
- 13.10 The District shall not require any Officer to take Compensatory time in lieu of overtime unless such Compensatory time does not count toward the limitations on Permissible Leave. Compensatory time accruals shall be limited to 160 hours per Officer, and payouts of accrued compensatory time upon separation shall be billable to the District.

14. Leave/In-Service Training

- 14.1 The Officers shall require annual in-service training, which will be provided by the County with costs paid by the District according to the rates set forth in the Career Path program for law enforcement adopted by the Galveston County Commissioners Court. The District may require additional in-service training as appropriate, and the District will be responsible for the cost of any such additional training. Hours expended by Officers in attending such training shall be considered hours worked under this Agreement.
- 14.2 Training and annual leave will be permitted between the day following the last day of the Spring term until the day preceding the beginning of the new Fall term in that same year, subject to the limitation on Permissible Leave as outlined in Section 12 Consideration above.

15. Vehicles

- The District shall provide all required vehicles for each Officer's use during the time they are performing services for the District. The District shall make such vehicles available to the Officers to the extent the District deems necessary and appropriate for the performance of duties under this Agreement.
- 15.1 All Officers who reside within twenty (20) miles of District boundaries will be permitted to take a vehicle home. The District will provide all required fuel and maintenance for the vehicles, as well as all emergency equipment required for all marked vehicles.
- 15.2 The District agrees to carry third-party liability insurance on all vehicles driven by Officers.

In emergency situations or upon request, the County may use District-owned vehicles for purposes unrelated to law enforcement services under this Agreement. In such cases, the County shall be responsible for repairing any damage to the District vehicles and shall reimburse the District for fuel costs and vehicle wear and tear.

16. Special Programs

- 16.1 **Canine Detection Program.** The District has instituted a canine detection program to address drug- and alcohol-related issues in District schools. The County supports this initiative, and as part of this Agreement, the Sheriff will work with the District to:
- a) Select and assign two Officers whose specific duties may include handling, care, housing, training of and with the canine, and obtaining/maintaining appropriate certifications.

- b) Develop and maintain a training program in accordance with other Canine Handlers employed by the County.

16.2 Cost Responsibility. All costs related to or arising out of the canine program shall be borne by the District, including but not limited to:

- a) Invoices for the assigned Officer's time spent performing tasks related to the canine program.
- b) Costs of maintaining the canine, including feeding, housing, and veterinary care.

16.3 Operational Compliance. The canine program shall operate per all applicable District and Galveston County policies.

16.4 Insurance. District agrees to carry third-party liability insurance for liability arising from the canine program.

17. Supervising Resource Officer

17.1 One of the Officers furnished by the County shall have the rank of Captain or above and shall be appointed to serve as the Supervising Resource Officer between the District and the Sheriff's Office. Such Officer shall be subject to removal in the same manner as other Officers.

18. Term and Termination

18.1 This Agreement shall commence on the Effective Date and shall continue for three (3) years, unless terminated earlier by either party upon thirty (30) days' written notice to the other party.

18.2 In the event of termination, the District shall remain liable for payment for all services rendered under this Agreement before the effective date of termination.

18.3 This Agreement may be renewed upon mutual agreement of the Parties.

19. Early Termination

19.1 This Agreement may be terminated with or without cause or for convenience by either party upon thirty (30) days' prior written notice to the other party.

20. Renewal Period

20.1 This Agreement may be renewed if the District gives notice of its intention to renew within ninety (90) days before the end of this Agreement and the County agrees to the

renewal. Upon notice being given, the parties will renegotiate and redraft this Agreement to accommodate any changes in cost and/or services as may be required.

21. Governing Law

21.1 This Agreement shall be governed by and construed in accordance with the laws of the State of Texas.

22. Miscellaneous Provisions

22.1 **Entire Agreement:** This Agreement constitutes the entire understanding between the Parties and supersedes all prior agreements, understandings, and negotiations.

22.2 **Amendments:** This Agreement may be amended only in writing signed by both Parties.
